Newsletter – November 2015 - Volume 56 Issue #10

Our Winter Regatta's had a low but enthusiastic turnout. Larry Grant dominated the ODOM races with an 11 pt. advantage over the second place finisher Greg Dawe. But The IOM was closer with the final 3 only 3 points apart.

November's Points Race

The Santa Barbara class through October was led by Ken Campbell who now has a lock on 1st place. Lon has a 6 point lead on Tom for 2nd going into December. Hopefully by then he finds a hat...the glare is formidable.

As our year is coming to a close I would like to thank all those that have helped with making Points Races possible, especially those that volunteer to be RD's, and those that support by helping with the pond equipment, scoring and when we need it, protest committees. We have a core of about 17 skippers that regularly participate in our events. We have a growing number in the SB and Soling class and the ODOM class is the most competitive. Some enjoy the race just for the fun of it and others are more serious and put a greater emphasis on winning. I hope that in the upcoming year we can all work together to make the pond fun for everyone.

As your Director of Sail this year I have for the most part enjoyed the role. I will look forward to assisting those that have volunteered to keep this little club going for yet another year. 56 years of volunteerism is a lot of effort; let's keep it going. Tom Gardner – Director of Sail
